Repair your ball marks and one other.

Every divot should be replaced when possible.

Sand should be raked every time you are in a bunker.

Park your carts 30 feet from greens and tees.

Enter and exit bunkers from the flat back side.

Care and think about other members behind you.

Together this will make a huge difference.

Congratulations Ryder Coe!

Ryder is onto the next rounds of the Drive, Chip and Putt Championship in Boulder Michigan—only two stages away from the finale at Augusta National Golf Club. His winning drive was 22 yards longer than the second place finisher. Good luck Ryder!
